

# 2 - 8 Port ODVA Junction Box

Service the industry with high-performance  
cost-effective solutions

## Product Details

## Features

- Number of ODVA Ports : 2 to 8 ports
- ODVA Connector Types: SC, SC/APC, LC Simplex, LC Duplex, MTP, MPO
- Material: ABS, flame retardant grade UL94V - level 0
- Tensile strength:> 50 N
- Usage temperature:- 40 ~ + 75 °C
- Relative humidity: ≤85% (+ 30 °C)
- Structure: open type
- Color: grey (color can be customized)
- Sealing way: TPE seals
- Size (H\*W\*D)mm : 250\* 80\*70mm
- Installation method: overhead, hanging
- IP67 Protection, Salt-mist proof
- Fully Water-blocked, Wall Seal Design
- Easy Operation, Cost-effective Installation
- Light Weight, Dustproof and Waterproof

## Application

- FTTA, FTTH Application
- 3G, 4G Base Station
- Horizontal and Vertical Cabling
- BBU, RRU, RRH, LTE
- Harsh Environment applications
